Dear Jocelyn,

You have been invited to attend the Mallard Financial Inc. six-session Leadership Development Program for high school students. These sessions will be two hours every 2nd Tuesday of each month, with an additional orientation session in September.

In these sessions, you will learn the proper leadership skills to appropriately lead yourself and others when a "Rainy Day" (a time of need or trouble) approaches. Using these skills, you can become a leader in your daily and help those around you in times of need. With this knowledge, we hope you will continue into a leadership position in your choice of career field.

The deadline to apply for this is August 15th, and we are limited to only 25 slots total. We hope you consider applying and we hope to see you there!

Sincerely,

John Smith
